*"Kicking it live in 85"* (kiking it liv in a te fiv)-Slang

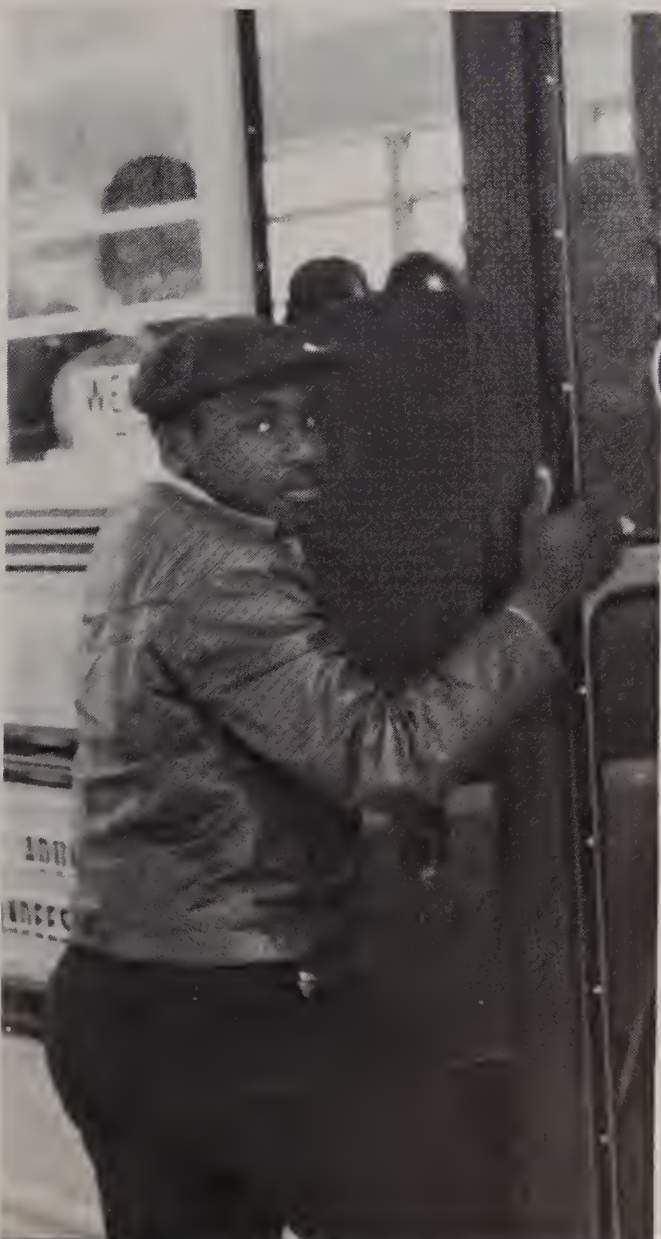

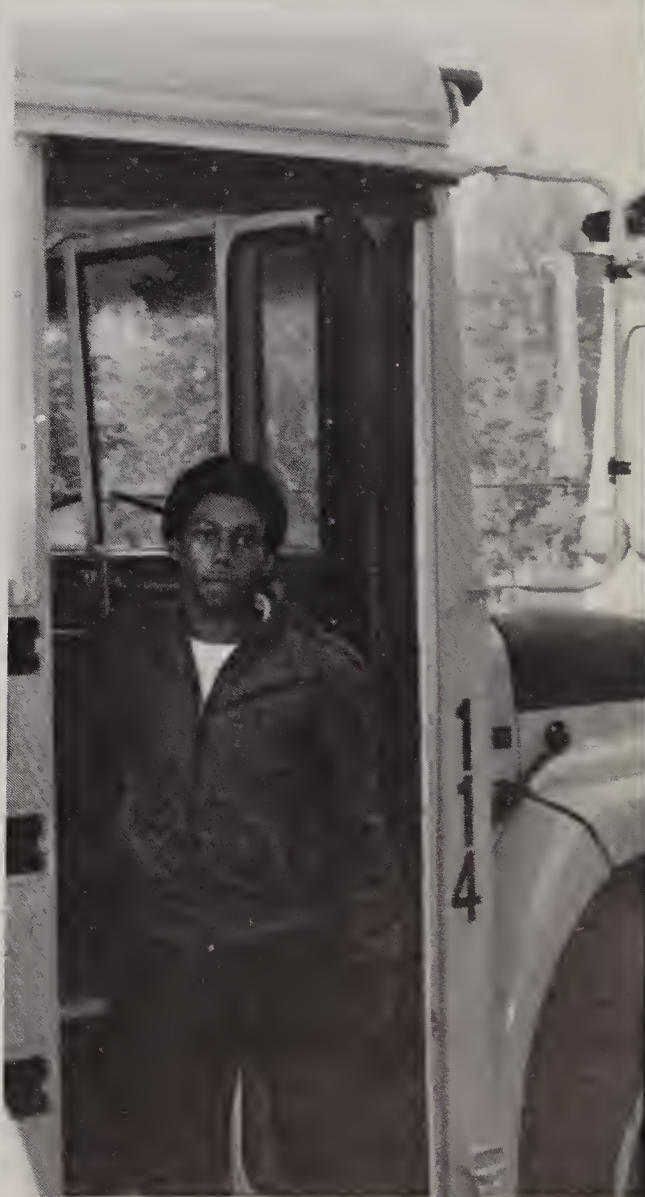

1. On the ball with things. 2. Slang word used to describe a very active class, which graduates in 1985. 3. Progress accomplished academically, socially and actively by a 1985 graduating class.

**Wake Up!  
Get Up!  
Wake Up!**

"KICKING IT LIVE IN 85" was unanimously chosen as theme for the class of 1985.

Following the turbulent moments in the '60's, adults have had negative attitudes towards the upcoming generations. They assumed that current students saw high school as a necessary evil that they endured but in which they did not actively participate.

The class of '85 has proven them wrong. They have "Kicked it live." They are concerned and active in all aspects of school life and in the community.

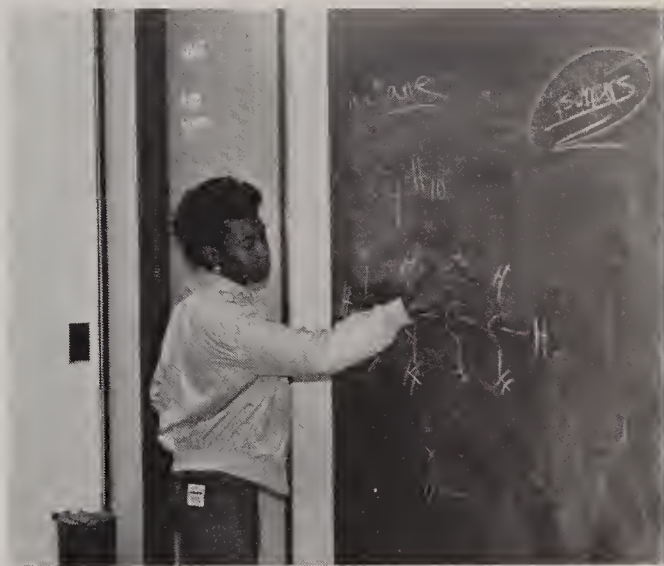

# The Mighty Beavers Are Good To Go

There are certain things that have to be taken care of before the school day actually begins: Catching up with the latest news of your home girls and home boys, hitting the lockers to get rid of that heavy load, and finally, going to the school store to fill up with fuel.

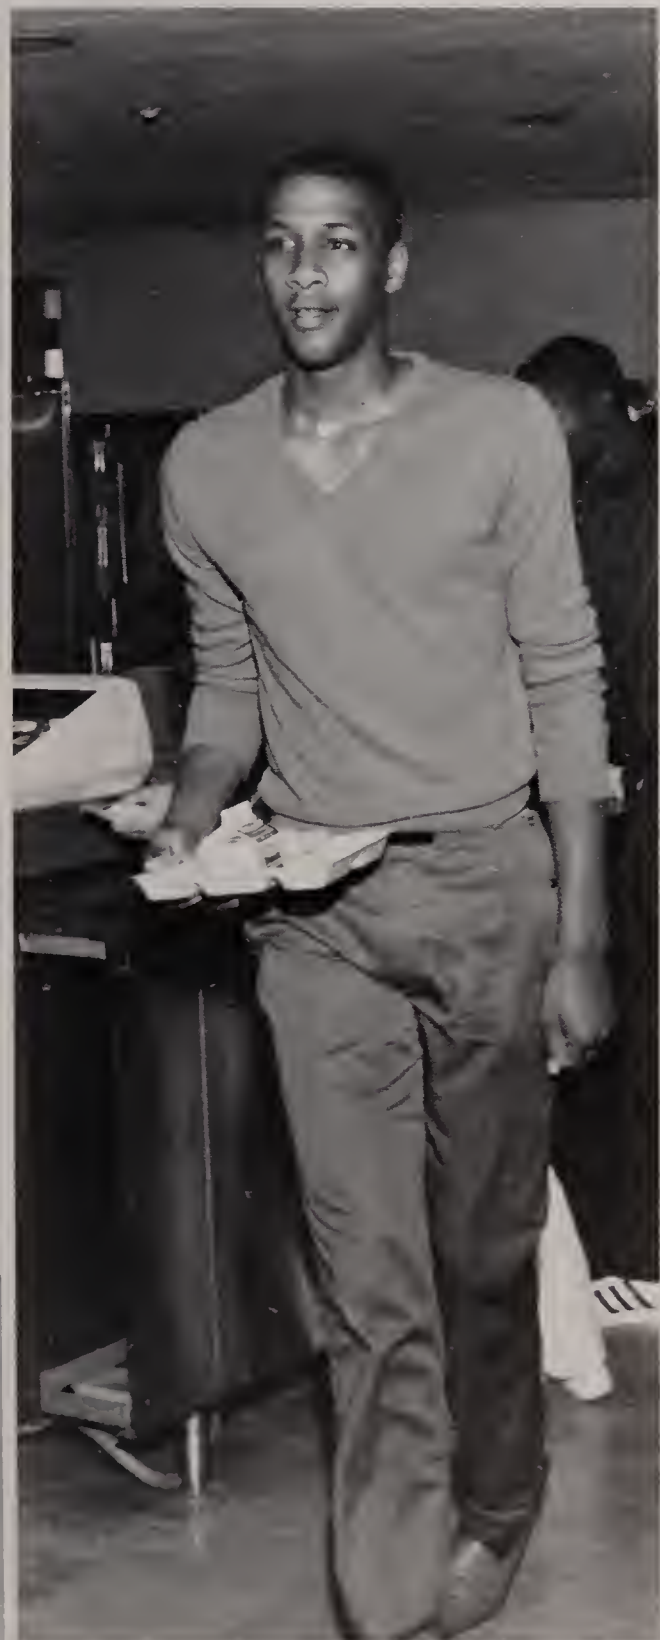

## Aiming High

Nationally, Wednesday is "Prince Spaghetti Day" Schoolwide at Weaver High School, Friday is "Prince Fish Day." Everybody goes to lunch on Friday!

## Play It-Kick It

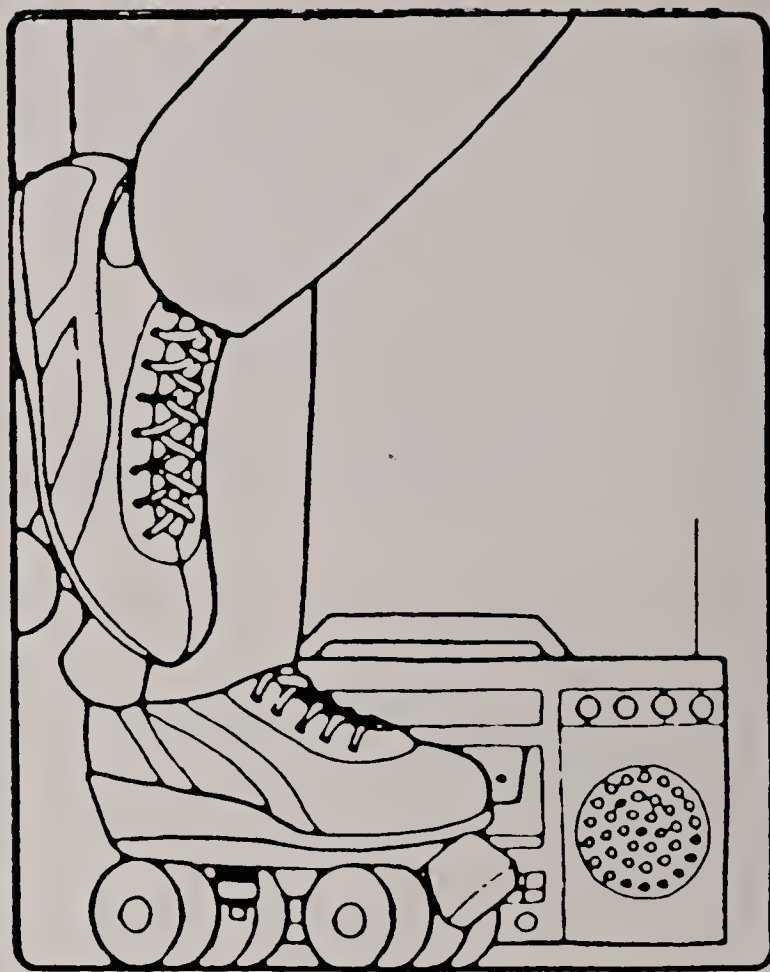

Beavers continue to strive in 85 by researching, studying, trying to find a better way to a successful future. Beavers, play in the library; kick it in the classrooms; play it in the air; kick it in the hallways. **PLAY IT, KICK IT! PLAY IT, KICK IT!**

# Thank You:

## Class Advisors

Mr. Karrer, Ms. Oliver, Mrs. Strong, and Mr. Tallman: we appreciate all the time and effort that you have given this year to make our activities successful.

Whenever we needed you for transportation, advice, or even motivation, you were there. Although we may not have shown it at the time, we were aware of all that you did.

## We Also Wish To Thank:

The Administration for their help throughout the year.

The Staff members who gave us an education.

Those people who supported our magazine drive.

Those staff members who chaperoned our dance.

Those who supported our fruit sale.

Those who bought Valentine Flowers.

Those who in many other ways helped our class this year.

We would *not* like to thank those responsible for our missing T-Shirts.

# Dedication Our Parents And Guardians

From your early morning, "Get out of bed", to your late evening, "Get off the telephone", you show us in many ways that you are a moving force behind our education. Without your encouragement, financial support, motivation, and, most of all, love, we would not have been able to come this far.

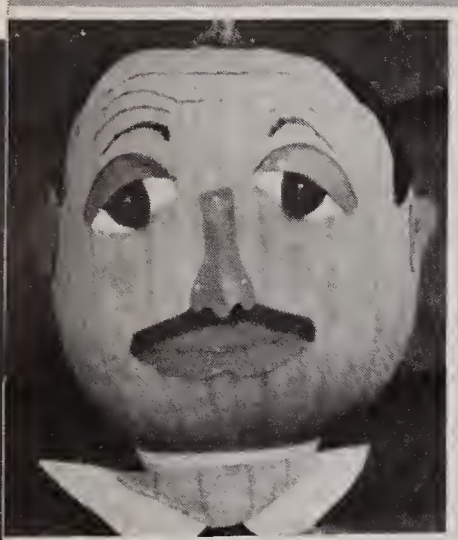

For all that you have done and continue to do, we thank you.

## Dr. Paul Copes

Dr. Copes, even though you left us at the beginning of our senior year to become Assistant Superintendent in charge of elementary education, we wish to recognize your efforts to move Weaver in the direction of becoming an outstanding educational institution. It is upon the educational foundation that you established that we continue to build. For your tireless energy that you gave to Weaver, we thank you.

It's early in the morning and no one is at school, *except* for the cheerleaders who are having one of their morning practices. These practices are just one of the many sacrifices that are made by these enthusiastic young ladies. From freezing at football games to loosing their voices at basketball games, they are always there cheering the mighty beavers on to victory.
